4.	<p><u>Clerk's report</u></p> <ul style="list-style-type: none"> The Planning Enforcement Officer has advised he visited the site of felled trees near Hartwith Mill and consulted the Council's Arboricultural Officer as the works are quite extensive. He has advised there are statutory plant health notices (SPHN) for the felling of Larch trees due to Phytophthora ramorum (an algae-like organism called a water mould). More trees are marked in the woodland to the rear of the attached photo. The area comes under the TPO order 50/10001/TPORDR as SWARCLIFFE ESTATE W26 mixed deciduous trees and given the specific felling of Larch trees and evidence of replanting, felling due to disease prevention under a SPHN is the likely reason. The Arboricultural Officer will however check with the forestry commission, and he has been forwarded the details. Coronation mugs and presentation inserts were purchased and presented to children at Summerbridge Community Primary School on 5th May. <div style="display: flex; justify-content: space-around;">   </div> <ul style="list-style-type: none"> A bench has been purchased for the Max Pullan Playing Fields and we await notification from the D&HPFA and the clubs which use the site as to the location. Police Sergeant 145 Hannah Davies has updated the community that PC 820 Bill Hickson will be retiring next month. He has served with North Yorkshire Police for over 25 years, and he will be missed by both the community and his colleagues alike.

	<p>Plans are in place to replace Bill with another suitable officer and North Yorkshire Police will update us as soon as this is finalised. RESOLVED: letter of thanks to be sent to PC Hickson for his service.</p> <ul style="list-style-type: none"> On Thursday 25th May 2023, Police, Fire, and Crime Commissioner Zoë Metcalfe will host an online public meeting where she will scrutinise and hold the Chief Constable of North Yorkshire Police to account on behalf of the public's concerns. <p>Residents of York and North Yorkshire are invited to join the online public meeting which will include allotted time for the Commissioner to ask questions sent in by the public. The topic for this meeting will centre on road safety and is the first in a series of public meetings between Commissioner Zoë and North Yorkshire Police that dives deeper into the areas of policing that the public want to hear about.</p> <ul style="list-style-type: none"> Gate, steps down to the highway and stone wall around the streetlight on Hartwith Bank have been brought to the attention of Hartwith cum Winsley Parish Council and passed to Planning Enforcement. A planning application may have been needed for the work and the parish council is concerned a) about the safety of the access directly into the highway and b) the stone wall around the streetlight. The caretaker has been tasked with clearing the blocked gully on the B6165. Potholes and damaged road surfaces in the Hartwith area have been reported to Area6 Highways.
5.	<p><u>Chair's report.</u></p> <ul style="list-style-type: none"> The coronation of King Charles III took place on Saturday 6 May 2023 and on the following day communities throughout the country embraced The Big Sunday Lunch. Hartwith cum Winsley Parish Council joined with Summerbridge Methodist Church to provide the Big Sunday Lunch in the Methodist Church Hall which was a great success. I would like to say a big thank you to all who organised, helped and supported this event. Hartwith cum Winsley Parish Council also purchased coronation mugs for distribution to children who live within the Parish. The Parish Clerk and myself attended Summerbridge school on Friday 5th May to present all children with a coronation mug and thanks were received from children and staff for the presentation and the mugs. Delivery of coronation mugs to children in outlying areas has also taken place. The Parish Clerk and myself did investigate a number of pot holes on Stripe Lane at Hartwith and these have been reported to Area 6 Highways. Drainage and gully problems still continue on Hartwith Bank with a large amount of grit and debris being washed down the Bank last week, and drainage issues continue at The Whinfields junction and on the B6165 at Hartwith. Latest update on Stripe Lane pot holes; a number of these have been repaired by Area 6 Highways. Traffic issues still continue on Main Street (B6165) in Summerbridge and Parish Council is requesting an update from North Yorkshire Council traffic management on the proposed yellow lines at the following junctions - Hartwith Avenue, Hartwith Bank and The Whinfields.
6.	<p><u>External Reports.</u> <u>North Yorkshire County Council</u></p> <ul style="list-style-type: none"> There will be a full council meeting on 17th May and Cllr Hull will meet with the Executive Member for Waste beforehand to discuss the issues raised by Cllr Derry. A project is underway to have the River Nidd at Knaresborough classified as clean bathing water. 40% of the problem is raw sewage being released into the waterways. There is cross party support for this. The first Planning Committee is to be held in June. The outstanding double yellow lines in the parish have been raised with the Executive Member for Highways and it is hoped that a Highways engineer will make a site visit. £6.5 million has been allocated for repairs to the highways.

	<p>Cllr Watson asked who should be contacted with when a road sweeper is needed in an emergency. Cllr Hull agreed to find out.</p> <p><u>Dacre & Hartwith Playing Fields Association.</u> Next meeting to be held on 6th June 23 <u>Dacre and Hartwith Village Hall</u> Next meeting to be held on 15th June 23 <u>Nidderdale Safer Neighbourhood Group.</u> Next meeting to be held on 7th June 23.</p>
