8 e	The Chair took this item early as parishioners were present to speak about drainage issues on the highway at Summerbridge Fire Station. They advised the Parish Council that the drain outside the Fire station is blocked and as a result in recent heavy rains water had breached their property. They had installed flood defences at the property and Cllr Watson confirmed that he had given the parishioners sandbags from the store held at Summerbridge Methodist Church. Cllr Watson reported he had been in touch NYP&FS and had been advised a surveyor would be looking into the problem. Area6 Highways will also be consulted. RESOLVED: photos of the blocked drain and proximity to parishioners' property to be sent to Area6 Highways. To be included on February agenda
